Declaration of Non-Use of ODS in the Manufacturing of Qimonda Products

Qimonda hereby declares that Class I and Class II ozone depleting substances (ODS)¹ as well as those listed in the EC Regulation 2037/2000 as amended by (EC) 1804/2003 on ozone depleting substances (ODS)² are neither intentionally contained in our products nor intentionally used in the manufacturing of these products.

More information on specific product material contents is obtainable from Qimonda in the form of material data sheets (MDS). For these, please contact your local sales agent or customer service center at <http://www.Qimonda.com>.
